I. CATALOG DESCRIPTION

ACCT-1200

Principles of Accounting I

Prerequisite: None or as established by individual college

This course is designed to provide introductory knowledge of accounting principles, concepts, and practices. Included topics are the balance sheet, the income statement, the statement of owner's equity, the statement of cash flows, worksheets, journals, ledgers, accruals, adjusting and closing entries, internal controls, inventories, fixed and intangible assets, liabilities, equity, and financial statement analysis. This course provides a foundation for more advanced work in the fields of accounting and business.

3.0 semester credit hours/4.5 quarter credit hours/45 contact hours

II. COURSE OBJECTIVES: *Course will teach students to:*

1. Understand the role of accounting in business.
2. Summarize and apply basic financial accounting terms, concepts and principles.
3. Take a given series of transactions through the accounting cycle.
4. Analyze, record and report transactions for service and merchandising businesses.
5. Record and report transactions for a corporation.
6. Prepare and analyze financial statements.

III. STUDENT LEARNING OUTCOMES: *Students will be able to:*

1. Demonstrate an understanding of Accounting and Business.
2. Prepare journal entries.
3. Prepare a trial balance, adjusting entries, and financial statements.
4. Complete the closing process in the accounting cycle.
5. Evaluate a company's management of receivables.
6. Evaluate a company's management of inventories.

7. Produce an income statement summarizing operating activities, other revenue and expenses, extraordinary items, and earnings per share.
8. Use generally accepted accounting principles to account for investments in tangible and intangible operating assets.
9. Apply generally accepted accounting principles fundamental to the accounting for long-term debt finance arrangements (i.e. long-term liabilities).
10. Employ fundamental principles generally acceptable to the accounting for equity financing transactions.
